MENTAL

is a four-year-old Percheron Stallion. He is a dark gray with white main and tall and will mature to 2150 lbs. He was imported by Bell Bros. of Wooster, Ohio, when he was two years old. He was shown in 1914 at Nogent, France, in a class of 80 head and won second place and I have the medal to show and he won first at Ohio State Fair. This colt possesses lots of quality and has action like a coach horse. He has extra large bone and the best of feet. And it is said by good horsemen that he is the best Percheron stallion in Knox Co. Come and see him and be convinced. He will stand for \$15.00 to insure a living colt.

RUFUS

is 8 years old, dapple gray Percheron stallion. He has more quality than any other horse for his size. He has won three straight championships and the get of sire for three years. Come and see him and his colts. I can show you colts two years old that weigh 1600 lbs. This horse has proven extra sure. \$15.00 to insure a living colt.

ROBIANO

is a bay Belgian Stallion 5 years old, weighs in working condition 2,000 pounds. He is of the Belgian type, low down and wide out drafty kind. The horse has proven extra sure and a good colt getter. \$15.00 to insure a living colt.

These horses have been worked on the farm and that makes them sure and their colts are stronger. I have completed a course at Prof. Graham's Scientific Breeding School, and will treat all barren mares free of charge. If you have one that won't breed, bring her in and get a good colt. These horses will make the season of 1916 at my residence 1 1/2 miles north of Fredericktown on the Butler road. Will use all precaution against accidents but not responsible if any occur.

TWO ARRESTS ARE MADE

In The Jackson Tp. Tar And
Feather Case

ACCUSED ARE BROUGHT HERE

By Deputy Sheriff Mossholder for Arraignment on Charge of Assault and Battery Perferred by Samuel Clark

Deputy Sheriff Walter B. Mossholder on Thursday placed under arrest Edward Boyd and Earl Ryan, prominent residents of the southeastern portion of the county, on charges of assault and battery.

The affidavits were made by Samuel Clark, the farmer who was called from his bed last Saturday night at his home in Jackson township by seven masked men who proceeded to tar and feather him.

Warrants for the arrests of Boyd and Ryan were issued by Mayor Charles A. Mitchell on the basis of the affidavits and placed in the hands of the deputy sheriff to serve.

The accused men were brought to this city Thursday afternoon by Deputy Mossholder for arraignment before Mayor Mitchell.

It is said that Ryan's wife was accused by Clark of feeding his hogs pounded glass and that this alleged accusation gave rise to a fight between Clark and Ryan which indirectly resulted, according to the story, in the tar and feather party.

Boyd is also said to have had trouble with Clark. It is told that the latter remarked to Boyd that he had seen a neighbor coming from his cellar and immediately went to the neighbor, so the story runs, and informed him that he had seen Boyd coming from his cellar.

Boyd and Ryan were arraigned at 3 o'clock before Mayor Mitchell. Both waived examination and were bound over to common pleas court. The bonds were fixed at \$500 each. Both furnished the same and were released.

CLARK'S SON

HOUSES TAR AND FEATHER VIC-
TIM WEDNESDAY NIGHT

John Clark of this city housed his father, Samuel Clark of Jackson township, Wednesday night and endeavored to induce him to live here, offering a permanent home with freedom from all work.

The son had not seen his father for fourteen years, having traveled during that time all over the United States. He has been located in Mt. Vernon for six months and is employed at the C. & G. Cooper foundry.

He expressed indignation over the treatment that was accorded his father last Saturday night when the old gentleman was tarred and feathered by seven masked men.

PLEADS NOT GUILTY

B. F. Hutchinson, who was arrested last week on a charge of stealing fence posts valued at \$19.50 belonging to Clyde Turney, was arraigned before Mayor Mitchell Thursday afternoon. Hutchinson pleaded not guilty and waived examination. He was bound over to the grand jury and furnished bond in the sum of \$50.

THE IMPORTANCE OF SCIENTIFIC FITTING

Lenses, correctly ground to prescription, are valueless unless held in the correct position before the eyes.

If the fitting of frames or mounting is carelessly done, or if the optician lacks skill, your glasses will never give the satisfaction they should.

We give particular attention to this important detail and our experience enables us to satisfy you.

Whether you bought your glasses of us or not, if they do not seem to fit properly, let us go over them.

There is no charge for this service.

Much Attention---Program

With 35 of the 45 churches of the district represented by delegates, the forty-second annual meeting of the Women's and Young People's Presbyterian society of the Zanesville presbytery convened Thursday morning at 9:30 o'clock at the Presbyterian church in this city.

Delegates streamed in on all trains so that by evening all of the churches were represented. Ninety-seven delegates in all were in attendance with numerous alternates and a large number of visitors.

The ladies of the local Presbyterian church were on the go every minute of the day, seeing that all visitors were registered and making disposition of each for the night's lodging. At noon, luncheon was served in the dining room of the church by members of the congregation.

One of the most interesting people in attendance is Mrs. Howard Campbell who returned recently from Laos, where she spent several years as a missionary. The Zanesville presbytery supports Mrs. Campbell.

Mrs. Alice Wishart, field representative for the foreign board, and Miss Augusta Barr, field representative for the freedmen board, both of Philadelphia, Pa., spoke Thursday morning on their work. They were sent here from Philadelphia to attend the local gathering.

An event to which all delegates and visitors looked forward was the pageant which was presented Thursday afternoon under the direction of Mrs. Carroll D. Conard and which included in its cast a large number of school children. The pageant concerned itself with the activities of the societies and was very enthusiastically received.

The following were registered Thursday morning:

JUNE 8

TIME LIMIT FOR FILING DECLARATION OF CANDIDACY—PRI-MARIES TWO MONTHS LATER.

The matter has been spoken of already once or twice, yet some candidates may have forgotten that those who become candidates for county offices will be permitted to file nominating papers any time before June 8. When a declaration is filed it must bear the signed statement of five electors of the political subdivision in which the candidates seek nomination that he is a member of the party with which they are affiliated. The candidate must also pay to the election board a fee of 1 per cent of the annual salary of the office to which he aspires.

At the primaries August 8, the Democrats and Republicans of Knox county will participate in the nomination for their respective parties of the candidates for United States senator, governor, lieutenant governor, secretary of state, treasurer of state, state auditor, attorney general and two judges of the supreme court.

Nominations will be made exclusively in this county by either party for candidates for probate judge, sheriff, prosecuting attorney, county treasurer, county auditor, clerk of courts, coroner, recorder, surveyor, three county commissioners, and a county representative. Candidates for congress and state senator will also be nominated in the districts of which this county is a part.
